## ABOUT US

H.S.S. Real Estate Management Services Broker, established in 2023 as an innovative and dynamic company in the UAE. It has received a certificate for the registration of intellectual property rights for its smart app, HSS, which aims to revolutionize the real estate industry and its associated management services. Our vision is to bridge the gap between buyers, sellers, and property owners through a single app that makes the processes of selling, buying, and other real estate services easier and more efficient.

Our app is the first of its kind, providing a comprehensive platform that allows buyers to explore a wide range of properties and services in the Middle East and around the world. Sellers and service providers can easily list their properties and services, ensuring maximum visibility in a competitive market.

With H.S.S., we simplify everything related to real estate and present it in an efficient and accessible manner, making it available to everyone around the world.

**H.S.S**

# OUR MISSION

At H.S.S., our mission is to simplify real estate operations and related management services by providing the tools and support our clients need to find their properties, achieve optimal investments, or access the right services. In the HSS app, we strive to offer a comprehensive and user-friendly platform that covers everything related to real estate, from start to finish, enabling buyers, sellers, property owners, and tenants to achieve their goals quickly and efficiently.

We are committed to ensuring a seamless and successful experience for all users within 48 hours by providing innovative solutions that meet their needs in the global real estate market.

## OUR VISION

We aspire to a future where finding, managing, maintaining, or furnishing properties—and everything related to real estate is a simple task that can be accomplished with just a few taps on your mobile device.

By integrating the latest technologies and with a dedicated team, we aim to set new standards for efficiency, transparency, & customer satisfaction in the real estate and related management services in the UAE & around the world.

**H.S.S.**

# A MESSAGE FROM US TO YOU

We are honored to introduce H.S.S. Real Estate Management Services Broker and the innovative solutions we offer to the real estate market in the UAE and around the world. Since our establishment in 2023, our mission has been clear: to transform the real estate experience by leveraging cutting-edge technology and providing exceptional service.

At H.S.S., we are committed to putting our clients' needs first. We invite you to explore the H.S.S. app and experience the direct benefits of partnering with a company dedicated to enhancing your real estate journey through innovation and excellence.

Thank you for choosing H.S.S. as your trusted partner. We look forward to serving you in the UAE, the Middle East, and globally as the first smart app to launch from the UAE to the world.

**Sincerely,**

The Founder and Management Team  
H.S.S. Real Estate Management Services Broker

# OUR APP

# HOW IT WORKS

1

## **Create Your Account and Subscribe**

Download the HSS app from the App Store or Google Play, and create an account. If you're a service provider, you can sign up based on your services. If you're interested in browsing, you can register as a user according to your needs to view available properties and services. Subscribe to one of our plans tailored to meet your requirements, and complete your profile for a personalized experience.

2

## **Explore, List, or Express Your Interest**

Use the app's advanced search tools to explore available properties or management services. Users can express interest directly through the app by selecting properties that suit their needs. Sellers and property owners can also easily list their properties and services to attract more clients.

3

## **Get Connected and Close Deals Seamlessly**

Once you've expressed your interest, our team will connect you with the appropriate providers or owners. The HSS app ensures an efficient, hassle-free process every step of the way.
