ABOUT US

In the year 2023, HSS Real Estate Brokerage Services was established as an innovative and dynamic company in the United Arab Emirates. It obtained intellectual property registration certificates for its smart application HSS, which aims to create a fundamental change in the field of real estate and related management services. Our vision is to bridge the gap between buyers, sellers, and property owners through a single application that simplifies buying, selling, and other real estate services, making them easier and more effective.

The application is the first of its kind, offering a comprehensive solution that allows service providers and individuals to access a wide range of real estate services gathered in one place in the Middle East and around the world. Service providers and individuals can list their properties and services through everything related to real estate under one platform with different sections, making it easier and more effective without hassle.

We simplify everything related to real estate services.

OUR MISSION

At HSS our mission is represented in facilitating and creating the real goals and processes of real estate services associated with it through serving institutions, companies, and subscribed individuals on the platform to find their services and goals without effort in one application and providing a comprehensive platform from various real estate services and with ease in the HSS application.

It includes everything related to real estate and its services until the completion of the service from the concerned parties who provide the services or users and those concerned with achieving their goals quickly and efficiently.

We are committed to ensuring a smooth and successful experience for all service providers and users within 24 hours of receiving the request to provide the service to meet your needs in the global real estate market.

OUR VISION

We aspire to a future where finding real estate, construction, maintenance, financing, and additional real estate services becomes simple and accessible. Our goal is to provide real estate services in the UAE, the Middle East, and globally through a single application — without any hassle and with full credibility.

You will be able to search from your location across all different departments for whatever real estate service you need. It will become a straightforward matter that can be accomplished with just a few taps on your mobile device. By integrating the latest technologies, our team works to serve you by providing services in the United Arab Emirates, the Middle East, and worldwide.

OUR PLATFORM

Service Providers (Companies and Service Providers)

A dedicated control panel is available with a user-friendly interface. Service providers can easily list their properties and related services. Whether you're offering real estate or other services, our platform offers maximum visibility and accessibility for verified customers.

VIP Subscription

Subscribing to this service gives you:
Priority in service listing
Faster request processing
Access to all service categories in the app
Ability to submit requests and display more than one free service

For Customers (Subscribers)

Customers can explore a wide range of real estate and services through the unified control panel. They can:
Request services from detailed sections
Navigate easily between categories
Identify their needs and submit service requests
All through one app, with just a few clicks. Our team will contact the appropriate provider, ensure the service is available, and finalize the request efficiently.

Our Services

We make sure to verify the information of both service providers and individuals requesting services to ensure that all parties are genuine. In case any party provides incorrect or misleading information, they will not be allowed to use our platform.

We connect service providers with clients and ensure that every deal is completed successfully. With us, you won't waste your money or time without receiving the service you requested. No commissions, no middlemen—only direct services between providers and clients.

Service Providers can subscribe for one year (renewable).
Clients/Service Seekers can subscribe for up to 6 months for a symbolic fee (renewable as needed).

Why Choose HSS?

- The world's first app that serves you while you're in your place. Simply download the app, register, and subscribe. It verifies your identity — whether you're real or fake, a legitimate provider or not — and links you only with verified users. It detects fraud and ensures you're only dealing with real people, saving time and money, with no commissions or middlemen involved. All transactions are secured and confidential. Everything happens at your location — all you pay is the subscription fee.

- Comprehensive sections for everything real estate-related: buying, selling, towers, villas, palaces, and more. It also includes services for construction, renovation, financing, furnishings, décor, and a wide range of services provided by certified service agents.

- A vast network of over a million providers specialized in real estate across the globe, covering everything related to property services.

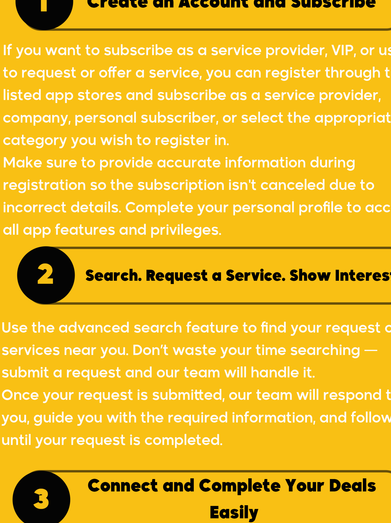
- A support team of experts and specialists, always ready to help and guide you — offering professional services.

- Trusted by the Community: Founded in 2023 and certified in intellectual property, we quickly gained the trust of our clients, thanks to our commitment to excellence and customer-focused approach.

- Innovative Solutions: Continuously innovate and update our platform to incorporate the latest advancements in technology, ensuring our users have access to the best tools and resources available.

- Confidential & Efficient Service: Parties are connected, and requests are followed up within 48 business hours.

Our App



HOW IT WORKS

1 Create an Account and Subscribe

If you want to subscribe as a service provider, VIP, or user to request or offer a service, you can register through the listed app stores and subscribe as a service provider, company, personal subscriber, or select the appropriate category you wish to register in.
Make sure to provide accurate information during registration so the subscription isn't canceled due to incorrect details. Complete your personal profile to access all app features and privileges.

2 Search. Request a Service. Show Interest

Use the advanced search feature to find your request or services near you. Don't waste your time searching — submit a request and our team will handle it.
Once your request is submitted, our team will respond to you, guide you with the required information, and follow up until your request is completed.

3 Connect and Complete Your Deals Easily

As soon as you submit a request for any of the available services with the relevant department, our team will verify and ensure all data between the parties is correct. Once all terms are agreed upon, the involved parties will be connected, and the service will continue until completion except in cases where the property must be inspected on-site. In such cases, the process will be confirmed by the relevant parties before finalizing the transaction.
The concerned authorities and both parties will be informed, and we will notify you once the request is complete.
